Class Title(s):

The recital offers our students a professionally directed performance that allows them to present to their families and friends the results of a year's hard work, dedication, and progress. A big part of the dance training process includes learning through performance. The experience helps build self-esteem, self-assurance, and contributes to a sense of confidence. Although performance opportunities can help prepare some students for a possible career in dance, they also contribute to children's success in non-dance activities. The onstage experience can result in better in-school presentations, improved social skills, and strong interview skills for future college or job opportunities. The rehearsal process is a tremendous learning experience as well. It helps the children develop retention skills, and by working with their classmates on a group performance, they learn the positive aspects of working as a team to create the best end result.

Dedication to recital commitments is the responsibility of both students and their parents. We've created this handbook in an effort to clarify what we expect from you in terms of commitments and responsibility to the annual recital, the studio, other students, and parents. No one is required to participate in our performances.

PART I: The Commitment

Important Dates

By allowing your child to participate in the Genesis Arts recital, you commit yourself and/or your child to the following dates and events.

Glenelg Country School is located at 12793 Folly Quarter Road, Ellicott City, MD. The middle school is the first building you come to if you travel straight into the complex on your left. The high school is beneath it at the bottom of the hill and there is parking both next to the middle school, by the high school, and also to the right upon seeing the middle school.

Updates

As the season progresses, additional recital information or updates will be posted in the studio and in e-mails. Keep abreast of this information. It's a team effort; students, their parents, the teachers, and the director are key players in the show's success. Please Initial

Home Study

To ensure that the students feel confident about their performance, we ask parents and guardians to encourage them to rehearse their recital choreography on a regular basis. Nothing beats class, but practicing at home also builds confidence.

PART 2: Costumes

They are always age-appropriate and of the highest quality possible. Preschool students will need one costume; all other students will need one costume for each subject they train in. Costumes include all accessories (hats, gloves, etc.), but not tights, flesh colored leotards, or shoes. These can be preordered at the time of costume purchase and paid for to insure you will have yours and not need to shop!

Costume Payments

In an effort to ensure that costumes are delivered in time, we order in advance. We pass that savings on to you by having the schedule of pricing as listed below. Costume companies do not accept cancellations or offer refunds; therefore the school does not refund costume payments. These payments include the rehearsal fees, staff pay, and theater rental. Please Initial

Costume Payment Schedule

Size	Regular payment	Late payment/rush	Additional Costumes Price for students in multiple classes
Child XS-Child L	\$100	\$120	\$65
Child XL-Adult XL	\$110	\$130	\$75

Sizing

Each child will be measured in order to determine his or her proper costume size(s). You will be required to sign a confirmation form stating that you agree with the size(s) to be ordered for your child. You can make adjustments on the form; however, your signature indicates that you take full responsibility for any necessary costume alterations.

Alterations

Although rare, alterations are sometimes needed after the costumes have been distributed and are the sole responsibility of the student's parent or guardian. Please contact Miss Lori if you need additional help.

Distribution

Costumes will be distributed before classes and should try them on immediately if not done in class. Clients receive them when all outstanding balances for the season (including tuition) are paid in full. **Please Initial** To ensure that there are no costume problems, students should not wear their costumes, accessories, or tights prior to the photo session, dress rehearsal, or performance.

Withdrawal

No refunds will be made if a parent or guardian withdraws a child from the school after costumes have been ordered and prior to the recital. **Clients who are not up to date with their class tuition will not be allowed to participate in the recital or pick up costumes prior to payment.** **Please Initial.** Parent or guardians may pick up purchased costumes at the studio if they do not participate by emailing Miss Lori.

Costume Care

We recommend that each student's name be placed in his or her costumes, shoes, accessories, and tights. Place the costumes in a garment bag with your child's name on the outside. Pack accessories in a clear plastic bag with your child's name on the bag and on each item. Hats should be stored in a hatbox or similar container to prevent damage. Steam all costumes prior to the dress rehearsal and the performance. Please do not wash costumes in your washing machine. **We promise to wear the costume exactly as it is provided and not substitute items.** **Please initial.**

Costume Racks/Quick Change Bins

Clothing racks with wheels can be purchased; if your child has several costumes, a rack is a smart investment. It keeps the costumes organized, prevents wrinkles, and provides some privacy during costume changes. Hang costumes on the rack in the order they will be needed in the show or place each costume change, matching tights, and shoes in a bin marked with your child's name.

TIPS: COSTUME COMMON SENSE

- ✓ Always have a second pair of tights available.
- ✓ Place costumes in a garment bag for travel.
- ✓ Carry hats in a hatbox or container to prevent them from damage.
- ✓ Hang and press costumes before each performance.
- ✓ Place your name in all costumes and shoes.

PART 3: Tights, Shoes, Hair, and Makeup

Tights

To ensure that there are no discrepancies in color and style, students are required to have the following tights for their classes. Tights are available at the studio or from dancewear stores. Be sure to purchase the correct style. Please purchase new tights for the recital, and do not wear or wash them before the dress rehearsal or performance. (Note: Having a second pair of tights on hand offers students and parents a great sense of security.)

Level	Required Tights
Ages 2 and up ballet	Ballet Pink (Preballet/Tap will also need fishnets for tap)
Ages 9 and over modern, acrobatics, and contemporary	Tan Stirrup
Ages 4 and over jazz and tap	Black Fishnets
Ages 9-up Musical Theatre/Jazz/Tap	Black Fishnets/Rhinestone Fishnets for Jazz and Tap

Shoes

The following shoes are required for all students. It is recommended that all girls' tap shoes must have black elastic if possible.

Girls	Boys	Both
Pink ballet shoes	Black ballet shoes	Black tap shoes for tap
Black jazz shoes for jazz	Black jazz shoes	Black jazz shoes for Musical Theatre and Jazz
Pirouettes or tan jazz shoes	Pirouettes or tan jazz shoe	Bare feet for modern/acrobatics
TBA for solos/character work	TBA for solos/character work	Black Hip Hop Sneakers

Hair and Makeup

All female students are **requested** to wear makeup for the recital: red lipstick, blush, eye shadow (brown or plum for darker skin shades with pink highlight), and mascara. For the boys, a little blush works well. Students over 7 are **requested** to wear foundation as well since skin tone tends to wash out due to the bright theatre lights. Uniform hairstyles are required.

All female students must wear their hair in a low bun for ballet or ponytail for hip hop, jazz, tap, and contemporary. Dancers with short hair must pull their hair away from the face and slick it down. Barrettes, clips, or headbands in the same color as their hair is requested. Bangs should be trimmed to not hang over brows or held back with a clip so you can see their face without shadows.

PART 4: Be Prepared

Pre-Planning

A recital isn't a one-day activity. Gather all costumes, accessories, shoes, and makeup several days in advance so you'll know if something is missing or isn't right. Make a checklist with your child of their dances, listing their costume, tights, shoes, and any accessories, and have them refer to it to make sure they have all your supplies before going to the theater. Your child should participate since they will need to organize themselves backstage.

Bring at least one extra pair of tights of each color. Also bring extra hair gel, hair nets, bobby pins, and hairspray.

TIPS: OTHER HANDY EXTRAS

- ✓ Baby wipes/Shout wipes (to fix makeup mistakes or wash hands)
- ✓ Baby powder (for itchy costumes)
- ✓ Safety pins (for emergency costume repairs)
- ✓ Clear nail polish (to repair minor holes or runs in tights when there isn't time to change them)
- ✓ Your pain reliever of choice
- ✓ Band-Aids (the "invisible" kind)
- ✓ Water and a non-messy snack (Goldfish/Teddy Grahams/prezels)
- ✓ Crayons and a coloring book for entertainment purposes

PART 5: Studio Run-through and Dress Rehearsal

Participation in the studio run-through and dress rehearsal are mandatory. Please Initial. The studio run-through allows the students to become comfortable with the staff and assistants in their own studio environment. The dress rehearsal allows the students to become familiar with the auditorium surroundings and feel comfortable with their performance, costume(s), and being onstage. Lighting, music cues, set changes, and all other logistics for an organized and professional performance are rehearsed so that the students make the best impression possible. **If your child does not attend their scheduled run-through time and dress rehearsal time, they forfeit their performance opportunity. No refunds will be made for any recital materials or tickets.** Please Initial.

We run an organized and timely dress rehearsal; your help with the process will guarantee a professional production. Please arrive at the time listed on the first page of this packet. Students may arrive in their first performance costume or may change in the dressing room. Please Initial.

Finale

All students are required to participate in the finale, which will be rehearsed during classes. A run-through of the finale will take place at the studio run-through and the dress rehearsal prior to Act 1 or Act 2, depending on when the students perform. All students will remain in their last performance costume for the finale.

Dressing-Room Etiquette

Students must respect other students' space and property in the dressing rooms. The students will spend more time in the dressing rooms than onstage or in the auditorium, so please do your best to keep them organized and clean. Flesh toned leotards should be worn for ease of changing as we may have helpers of all genders.

Closed Rehearsals: Studio Run Through and Dress Rehearsal

For speed, concentration, and safety, all our rehearsals will be closed to the public. If you wish to participate in the rehearsal process, you may sign up to assist a class backstage. All other parents and siblings are not allowed backstage. Thank you for understanding.

PART 6: Student Drop-Off and Pickup

Studio Run-Through and Dress Rehearsal Drop-Off and Pickup

Parent or guardian should bring the students to their assigned dressing rooms, where they will be checked in and placed under the supervision of their class mom(s). When a class has completed its last performance, the class mom will bring the group to the waiting room to be picked up. Parents, family, and friends are not allowed in the dressing rooms once the children have been checked in for the rehearsal.

Dress Rehearsal Dismissal

Students will be dismissed from rehearsal once they have completed all of their dances, speaking parts, and the finale. This will be listed in a worksheet one month prior to the rehearsal. Please make a copy of this for your child to refer to as well as having one on hand for you.

Recital Performance Arrival and Dismissal

Parents or guardians should bring the students to their assigned dressing rooms, where they will be checked in and placed under the supervision of their class mom(s). Students will remain backstage for the entire performance. One parent can get the child in the dressing rooms after the finale. All class moms would appreciate a parent's cell phone number if the student's family needs to be reached in case of emergency.

➤ Parents are not allowed in the dressing rooms after the children have been checked in at the theater. Please Initial.

PART 8: Recital Policies

Video and Photography

Please note: No flash photography will be allowed at the recital. This includes family members as well so please let your family know. Please make sure your family and friends are aware of this policy for their enjoyment of the experience. Please do not videotape entire dances as they are property of the choreographer. Please Initial. We will have a videographer who videotape the production for purchase. A form will be sent in email.

Auditorium Rules

No eating, drinking, or smoking is allowed in the auditorium or dressing rooms. When they are not onstage, dancers must remain in the dressing rooms with their class moms during the dress rehearsal and recital.

Backstage

Family members and friends don't belong backstage or in the dressing rooms during rehearsals or the recital. The same applies during intermission and after the show. There is a lot of backstage activity in a limited space, and dressing rooms are a private area. Please remind your family and guests to be respectful of these areas. Those who wish to greet a performer after the show or present flowers should do so in the lobby areas. No one is allowed onstage after the show due to the staff necessity of clearing the space for the next event. Please Initial.

Props

All props are the property of Genesis Arts, should be treated respectfully, and are to be returned to the backstage prop master after the performance. Props include such items as canes, parasols, beach balls, etc.

PART 9: Volunteer Information

Recital Volunteer Information

A volunteer form is required and is included in this handbook. There will be an orientation for all volunteers by email before the studio run through. All must abide by the policies set forth by Genesis Arts and prioritize the comfort of all students involved. The recital weekend is a hectic experience; all volunteers must work in a cooperative manner at all times. Our backstage managers work very hard to put an efficient system in place, and we ask that all volunteers rely on their experience and follow their instructions.

Class Moms

Class mothers are needed for each class to supervise the dancers. They do not need a recital ticket and will be able to watch their children perform from the audience or side of stage. Class moms must assure that each child in her care is safe and accounted for. They are responsible for making sure that each child is in the proper costume, has the proper accessories and shoes, and is backstage at the appropriate time. They are also responsible for seeing that all children return to their appointed dressing room after their performance. If there are too many volunteers for one class, some may be asked to work with children from another class. During their class' performances, room mothers leave the students at the stage door with their teacher and watch the dance from the auditorium.

Volunteer Options:

Class mom: Ensure that children are safe and accounted for when not onstage. Check for proper attire and escort children to and from the stage for their performances.

Usher: Escort ticket holders to their seats, distribute programs, open doors for intermission.

Ticket sales: Sell tickets at performance a half hour prior.
